## Wish List Funding

Each year a "wish list" is created by those we serve and staff, listing equipment and items from the various departments of LifeScape that are needed to improve the lives of individuals served. Some of our recent gifts have been critical in allowing our kids and adults to reach their fullest potentials. Annual gifts of equipment and supplies totaling approximately \$100,000 include:

- A new special education curriculum
- Support to the LifeScape Center for the Arts
- Online medication system for Adult Services
- Support for the Adaptive Aquatics program
- Overhead lift for therapy services
- Vocational training equipment & special community participation activities
- Computers, software, and art supplies
- Music therapy program
- Therapy equipment for physical, occupational, and speech therapies and evaluations
- Adaptive devices for wheelchairs and adaptive/accessible equipment
- iPads for children to Skype with their parents

*The LifeScape Ambassadors help ensure that LifeScape has the equipment and materials to remain on the cutting edge of care for people with disabilities.*

## **Special Needs Funding**

Throughout the year, we help children and adults with urgent special needs that cannot be funded in any other way. The Special Needs Fund provides medical care, special outing trip expenses, eye glasses, school pictures, and special equipment for any person served by LifeScape.

## LifeScape Ambassadors

  
**LifeScape**  
**Ambassadors**

**MISSION** *Caring individuals united in a commitment to share time, talent, and love in dedicated service to children and adults supported by LifeScape.*

## What are the LifeScape Ambassadors?

The LifeScape Ambassadors are a group of women dedicated to helping meet the needs and enrich the lives of the children and adults supported by LifeScape.

**The Ambassadors made a \$12,000 grant for a new school curriculum to create custom learning plans for each student.**

With many auxiliaries struggling to exist, our Ambassadors are going strong. We attribute this to the spirit and energy of the women who make up this extraordinary group.

## What do the LifeScape Ambassadors do?

We have fun and help people with disabilities! Our mission is to provide the "extras" to enhance the quality of life for children and adults at LifeScape. We accomplish this through supporting activities and fundraising events.

Our monthly luncheons provide good food, camaraderie, and an always interesting presentation, usually from one of the highly skilled professionals at LifeScape or by a speaker from our community.

We often also have the opportunity to meet one of the individuals served by LifeScape.

## Major LifeScape Ambassadors Events

Mall Walk is held the first Saturday in February of each year, and is a rockin', joyful event! Since 1994, 1000 people or so have gathered annually

at the Empire Mall after raising pledges from family, friends, and businesses. Proceeds fund Wish List purchases for items needed by people who receive supports from LifeScape. There is lots of fun and great prizes for top fundraisers. Mall Walk includes live entertainment, DJs, mascots, cheerleaders, Star Wars characters, and more. Whether you join the Ambassadors or not, plan to Walk'N Roll with us!

## Have Lunch with Friends ...

Monthly meetings are a great social opportunity to meet new friends and learn about services that LifeScape provides. The feature presentations emphasize items the Ambassadors have purchased.

We meet at 11:45 am on the third Monday of each month at LifeScape's corporate location, 2501 W. 26th Street. Lunch is \$7 with the buffet line opening at 11:45 am, and the presentation starting at noon.

One Autumn Night is an evening of fun and friendship on a crisp autumn night! It features live music, silent auction, heavy hors d'ouerves, cash bar, and games led by celebrity emcees.

Proceeds benefit the Wish List Fund to purchase items needed by the children and adults supported by LifeScape. It's an opportunity to impact lives forever!
